

# What is our social compact?

A shared understanding of how all of us relate to each other, our roles and responsibilities.

Through the **Forward Singapore** exercise, we'll review and refresh our social compact.

## why now?

The world is changing and **Singapore is at crossroads.**

By refreshing our social compact now, we can turn challenges into opportunities and **create a better Singapore.**

**A strong social compact** will help us progress together as a nation.
