

More than 14,000  
participated in  
140 engagements  
over a

wide range  
of topics

**We now live in a time of change:**

- Emerging from COVID-19 into a more uncertain world
- Global big-power tensions
- Ageing population
- Slowing social mobility

**And we must relook  
our current way of doing things**

**From these conversations,  
some common values we hold dear emerged:**

- Promoting fairness
- Deepening inclusiveness
- Creating a culture of giving back

**And varied suggestions were offered, including:**

- Broadening pathways to success and greater opportunities for all
- Strengthening assurance for workers and families

**We need to continue to be  
part of the conversation.**

**Together, let's**

- Discuss specific issues
- Co-create policy solutions
