

# How can we *maximise every Singaporean worker's potential* with opportunities and assurance

What more do we need to do to  
**ensure they seize  
opportunities to move up in life**

taking into account the diverse range  
of talent and aspirations at  
every phase of their lives.

● How can you take  
**ownership of your career**  
and meet your career aspirations?

● How can you  
**stay resilient**  
in the face of career setbacks?

● What can you do to  
**upskill to stay relevant**  
and seize new job opportunities?

● How can the Government,  
unions and employers  
**support workers**  
in your skill development  
and career transition?

● What do you think society can do to  
**raise the value of "hands on"  
and "heart" work?**
